Murphy Pipe and Civil earns finalist berth in Lord Mayor's Business Awards

Murphy Pipe and Civil has been selected as a finalist in the 2011 Brisbane Lord Mayor's Business Awards.

The company was selected in recognition of its commitment to innovation within the pipeline industry through its introduction of plough technology into the coal seam gas sector.

The winner of the award will be announced at a presentation ceremony on October 12.

The company will compete for the award against three other award finalists - Link Energy, GOA Billboards and Ludowici.

If MPC win the award it will be the second time it has earned the Lord Mayor's accolade after winning the Business Growth category in 2010.
